

# ***2008 Gulfstream G550***

## **AIRFRAME:**

200 Total Hours

87 Total Landings

- 12 Month Inspection Completed 10/2009
- 24 Month Inspection Due 03/2011
- 500 Hour Inspection Due @ 500 Hours or Intervals

## **ENGINES:** Rolls Royce BR710C4-11

Left: 200 Total Hours 87 Total Cycles

Right: 200 Total Hours 87 Total Cycles

## **APU:** Honeywell RE-220

36 Total Hours

## **AVIONICS:**

Avionics Package: Honeywell PlaneView

**COMM:** Honeywell Primus II Epic Integrated Radio System with Dual Modular Radio Cabinets (MRC 855A)/Primus II Com as Third Radio

**Audio:** Triple Honeywell AV-900 including SELCAL

**NAVS:** Honeywell Primus II Epic Integrated Radio System with Dual Modular Radio Cabinets (MRC 855A)/Primus II Nav as Third Radio

**FDS:** Honeywell Primus Epic System with Dual Autothrottle

**A/P:** Honeywell Primus Epic Dual Fail Operational GP 500 Flight Guidance System

**XPNDR:** Honeywell Primus II Epic Integrated Radio System with Dual Modular Radio Cabinets Mode S Diversity Transponders (MRC 855A)

**ADF:** Honeywell Primus II Epic Integrated Radio System with Dual Modular Radio Cabinets (MRC 855A – DF 855)

**DME:** Honeywell Primus II Epic Integrated Radio System with Dual Modular Radio Cabinets (MRC 855A – DM 855)

**ADC:** Triple Honeywell AZ 200

**FMS:** Honeywell Primus Epic Triple Flight Management/Performance System

**GPS:** Honeywell Primus Epic Dual 24 Chanel

**AFIS:** Global SAT-AFIS Data Link System with Cockpit Printer6

**SATCOM:** Honeywell MCS 7000 7 Channel with Magnastar Interface

**HF COMM:** Dual Honeywell

**EFFONE:** Magnastar C-2000 Telephone wih (4) Handsets and (6) Data Ports

**EFIS:** Four Honeywell DU-1310 Flight Panel Display Units w/Triple MC-850 Multifunction Control Display Units

**RADAR:** Primus WU-880 Turbulence Radar with Dual WC-884 Controllers

**ENCAL:** Dual Honeywell RT-300

**TCAS:** Honeywell RT 951 TCAS 2000 with Change 7

**EGPWS:** Dual Honeywell Enhanced Systems

**LRNAV:** Triple Honeywell IR-500 LASEREF V Micro Reference Units  
**FDR:** L3 Communications  
**CRV:** L3 Communications

**INSTALLED EQUIPMENT:**

RVSM/8.33 Spacing/FM Immunity/RNP 5 & 10 MNPS  
Basic Operating Weight 48,733 lbs  
Triple Honeywell MAU-16 Modular Avionics Units  
Honeywell LSZ 860 Lighting Detector with Tail Antenna  
Goodrich EBDI-4000 Radio Magnetic Indicator (RMI)  
Goodrich Magnetometer  
Goodrich GH-3100 Standby Attitude/Airspeed/Altitude Indicator  
Wireless LAN 4 Shared Network Printer & Modem  
Securaplane 500 Security System with Handheld Transceiver  
**Honeywell Visual Guidance System (HUD) (EVS)**  
Airshow Network System/Cockpit Displays/Audio Briefing/Magnastar Interface  
Hewlett Packard Plain Paper Facsimile Machine  
Cockpit Printer 2 Cockpit Rosen Sun Visors  
Pull Out Cockpit Side Window Covers  
Cockpit 115 volt/60hz Outlet 4 28 Volt DC Ground Service Bus

**INTERIOR:**

Seventeen (17) Passenger Fireblocked Gulfstream "Select" Interior. Seven (7) Aircraft Modular Products 16G single seats, full berthing, with Four (4) custom mattresses Four (4) place Aircraft Modular Products 16G mid-cabin conference group with one (1) enflite Conference Table, One (1) Aircraft Modular Products 76" Three (3) Place Divan aft cabin, Three (3) Place Divan center cabin Nine (9) ATG Electric Window Shade assemblies, Four (4) ATG Emergency Exit Electric Window Shades, One (1) ATG Non-operational Window Shade. Forward and Aft Lavatory (Enviromax vacuum type).

**Forward Galley:**

Two (2) TIA 103 Coffee Makers installed side by side, trackable with mechanical overboard vent, One (1) BE Aerospace model 2510-0069-03 High Temperature Oven, One (1) Sharp R-21HT Microwave Oven, One (1) Dirty Dish Drawer, China Storage, Crystal Storage, Stainless Steel Sink, Two (2) Ice Compartments, Thermoelectric Cooled Food Storage compartment with adjustable shelves, three (3) 115v/60 hz outlets. Two (2) O2 Corporation Therapeutic outlets, Thirty (30) gallon Pressurized Water System, Lavatory floor activation switches, Three (3) Dynamo Water Heaters (forward lavatory, aft lavatory and galley). Remote Cabin Temperature Controllers located at the VIP panel at the No. 2 right hand single seat, the VIP panel at the aft private area and in the galley switch panel.

Cabin Video Equipment:

**Gulfstream Broadband Multi link BBML**  
**Honeywell Domestic DBS Satellite**

Two (2) Alpine DVA- 5205 Digital Video Disc Players, , Three (3) 17" LCD Monitor, Seven (7) 7" Rosen LCD Monitors (l/h), Two (2) MCM Digital multi-system Converters, Two (2) Pacific System Color Touch Screen Remote Controls, Two (2) RF type Remote Control Units, Ten (10) 115 volt AC Outlets n Cabin, One (1) 115 volt Outlet located in baggage compartment. Securaplane External Camera System with selector at VIP location, One (1) fuselage mount Forward View Camera, One (1) Fuselage Mount Aft View Camera, One (1) Tail Mount Camera.

Passenger Audio Systems:

Ten (10) DT Systems mid/tweeter Speakers, Four (4) DT Systems Subwoofer Speaker, Seven (7) DT Systems Paging Speakers, One (1) Five Disc Blaupunkt Compact Disc Player/Controller, Sixteen (16) Stereo Headphones.

**EXTERIOR:**

Overall Matterhorn White (L1050), Midnight and Royal Blue stripes, Platnium Stripes.
